Revolutionary. Future-proof. Value-packed.

ConnectKey®

# Xerox® VersaLink® C400 Colour Printer and Xerox® VersaLink® C405 Colour Multifunction Printer

The VersaLink C400 and C405 revolutionise workplace productivity with next generation features and easy, instant cloud and mobile connectivity. Built for the way you work today, and ready for where you grow tomorrow – with all the flexibility and versatility your business needs to work better with minimal IT support and maximum security.

## Powerful performance and peace of mind.

Right out of the box, you'll count on your VersaLink C400 or C405 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go – hassle free.

VersaLink devices are loaded with features and time-saving Xerox technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax preview<sup>1</sup>, and do more with scanned documents with built-in optical character recognition (OCR)<sup>1</sup>.

When it comes to safeguarding critical documents and data, VersaLink devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

With the VersaLink C400 and C405, you can be confident that your documents will look their best – making you look your best – giving you the confidence you need when presenting to your customers.

## Easy, efficient and entirely new.

With the customisable, capacitive 5-inch colour touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Preloaded Xerox® ConnectKey® Apps help optimise office efficiency, and on-screen access to the extensive Xerox® App Gallery provides expanded functionality – like the Xerox® Easy Translator Service app<sup>1</sup>, which quickly translates scanned documents into numerous languages.

Speed through tasks by saving common settings as presets for simple, single-touch job setup. With Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure, easy access to task-specific presets and commonly used apps on a personalised home screen.

### Introducing touch screen superiority.

Meet our tiltable, 5-inch capacitive colour touch screen – the user interface that sets a higher standard for customisation, personalisation and versatility.

By presenting a familiar “mobile” experience – with support for gestural input and task-focused apps that share a common look and feel – fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and centre. Don't like where a function or app is located? Customise the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink C400 Colour Printer and VersaLink C405 Colour Multifunction Printer get more work done, faster.
