## ProSAFE<sup>®</sup> Fast Ethernet Rack Mountable Switches

JFS524v2

Data Sheet

JFS516v2, JFS524v2

NETGEAR JFS516v2 NETGEAR

The NETGEAR® Fast Ethernet Unmanaged Switches series are purposely designed, well built and rigorously tested for small and medium-sized networks where reliability and performance are the keys while Plug-N-Play connectivity and operational cost savings are the must-haves. With a 1U form factor, they can be placed on the desktop or

The JFS516 and JFS524 come with 16 and 24 ports 10/100Mbps copper ports respectively. They offer energy efficiency features and are compliant with the IEEE 802.3az standard. Both models are fanless for silent operation, business class rugged, and come with a lifetime warranty\*.

rack-mounted with the included rack-mount kit for professional installation.

## Highlights

#### Instant Network Connectivity for Your Small Business and Home Office

- Non-blocking switching architecture forwards and filters packets at full wire-speed for maximum throughput
- Up to 24 ports, each delivering up to 200Mbps of dedicated network bandwdith to servers, PCs and newtork devices
- Energy Efficient Ethernet (IEEE802.3az) for optimized power saving
- · Rugged metal case and fanless design for reliable and silent operation

#### Business-Class, Built with Performance and Reliability

- Plug-and-play—begins working as soon as it's powered on
- · Auto MDI/MDI-X automatically adjusts for straight-through or crossover cables
- · Auto Sensing and IEEE 802.3 Nway Auto Negotiation
- IEEE 802.3x Flow Control
- IEEE 802.1p QoS for traffic prioritization
- Intelligent LEDs for port link status and activity
- Compact size for the desktop or for mounting in a standard 19 -inch rack
- Backed by a NETGEAR Lifetime Warranty\*

# ProSAFE<sup>®</sup> Fast Ethernet Rack Mountable Switches

Data Sheet

JFS516v2, JFS524v2

### Hardware at a Glance

		FRONT	REAR	
Model Name	Form-Factor	10/100Base-T RJ45 Ports	LED	Power Supply
JFS516v2	Rackmount	16	Speed, Link and Activity	Internal
JFS524v2	Rackmount	24	Speed, Link and Activity	Internal

JFS516v2 is a 16-port 10/100Base-T Fast Ethernet Switch • Fanless • Rack-mountable

Performance at a Glance

JFS524v2 is a 24-port 10/100base-T Fast Ethernet Switch • Fanless • Rack-mountable

Model Name	Packet buffer	MAC address table	Switching Fabric	Jumbo Frames	IEEE 802.1p
JFS516v2	2Mb	8K	3.2Gbps	2KB	Yes
JFS524v2	2Mb	8K	4.8Gbps	2KB	Yes

## ProSAFE® Fast Ethernet Rack Mountable Switches

Data Sheet

### Example of a Network Diagram

### The NETGEAR ProSAFE Fast Ethernet Switch, the right-sized solution with the best value

- $\cdot\,$  Fast Ethernet for the best value at the most affordable price
- IEEE 802.1p QoS for traffic prioritization
- Fanless design for quiet operation
- Energy Efficient Ethernet (EEE) for optimized power and cost savings
- Lifetime warranty for peace-of-mind
